Importance: High

Dear Clare,

On behalf of the Generic Review Committee (GRC) I am pleased to confirm approval for your submission allocated to reference **24/GR/100**; the following documents are approved:

- **Consent_Script_V1.0_07Aug2024**
- **Randomisation_Script_V1.0_07Aug2024**
- **Safety_Script_V2.0_30Jan2025**

As part of the GRC approval please ensure that the GRC reference number is included on any approved generic documentation.

Please quote the submission GRC reference in any future correspondence related to these documents.

Generic approved documents; when submitted to a Research Ethics Committee as part of a specific study application, should include the Generic Review Committee's approval email.

GRC approved submissions which are resubmitted to the GRC for further review (amendments/new documentation) should also be accompanied with the GRC approval email.

HRA Generic Review Committee (members – Dr John Sheridan and Dr Daryl Rees).

Kind Regards,

Neil McCaffery
Quality and Performance Officer
