

PAIRED READING EVALUATION QUESTIONNAIRE (for Teachers, whole class)

Teacher name: _____

School: _____

Only comment on children in **your** class whose reading you knew before Paired Reading started. Only indicate change if **you** have observed it, it is significant and it has definitely occurred since Paired Reading started.

The options are: same, more, less, much more, much less. For each question, please circle your overall answer for all children. If you then feel able to indicate for what approximate percentage of children each answer is true, insert this below each answer.

During the Paired Reading sessions, generally is their:

Motivation to readsame / much more / less / much less / more

Confidence in reading.....less / more / same / much more / much less
