Dear Alan and Douglas

The Gallery is delighted that you have accepted our invitation to present a programme of your videos on Sunday 25 October at 2.30pm.

As we discussed, under the 'Film and Video Artists on Tour' scheme, the Gallery has only to pay the hire cost of the videos, your fee and expenses will be met by the SAC. The equipment we have is a U-matic VCR with a colour monitor and stereo sound. I trust this is sufficient.

If this is agreeable, please accept in writing and forward any publicity material listing the selection of videos for display prior to your talk. Nearer the date it would be good to discuss the format of the presentation.

Regards

MOIRA INNES
