Dear Steve Partridge,

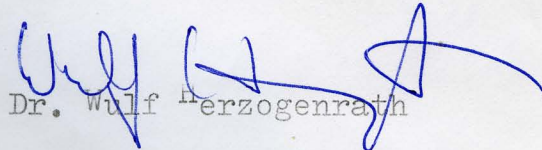

I hope you got answer from Ulrike Rosenbach, the most interesting videoartist in Germany, and Friederike Pezold.

There is Klaus von Bruch, who works on projects only with montage from TV. He made a tape, funny and intelligent on the free italian TV, gymnastics, discjockey, strip tease, advertising for Linda Lovelca etc. His Adress is ATV, Klaus von Bruch, Venloer str. 21, 5Köln 1 (he is a friend of Ulrike Rosenbach)

I hope everything goes well, and you get all the tapes you want. Do you have a list of the artists. Will there be installations? Performances etc.

Please keep me informed.

Yours sincerely

Dr. Wulf Herzogenrath
